San Diego —March 10, 2018 —

HighTower San Diego is pleased to announce we have been named a Top 1,200 Financial Advisor by Barron's, as of March 10, 2018. The list recognizes the top advisors in each state, with the number of ranking spots determined by each state's population and wealth.

"The HighTower community is made up of elite professionals who share a commitment to serving the best interests of the client as opposed to pushing the sale of proprietary products," said **Elliot Weissbluth, CEO of HighTower**. "Our rapid growth over the past year is proof that clients—particularly in the high and ultra-high net worth categories—recognize the value of this approach."

This is Barron's largest, most comprehensive listing, and it includes everyone from independents, who own and operate their own practices, to advisors from the big Wall Street firms.

The Barron's Top 1,200 ranking acknowledges top financial advisors from all 50 states including the District of Columbia. Eligible financial advisors were invited to apply for consideration, based on their assets under management (AUM), revenue generated by advisors for their firms, and the quality of the advisors' practices. Barron's additionally evaluated each advisor according to regulatory records, internal company documents, and 100-plus points of data provided by the advisors themselves.
